CHARIS BIBLE COLLEGE MEXICO IS BORN!

On Saturday, September 22, 2012 Charis Bible College's First Spanish Speaking campus in México opened its doors to 20 part time students. After 2 years of preparation and planning, the long awaited moment arrived when we all listened to Andrew Wommack welcoming the first class of CBC MX students in a message that he recorded especially for them. Together we experienced another first as we listened

to Andrew's teaching about the importance of the Word of God in our lives voiced over into Spanish! Every day we are seeing more and more of

the vision the Lord gave us of making the message of God's unconditional love and grace available to people in Central México become a living reality. It truly is a beautiful sight indeed to watch people discover who they are in Christ and His purpose for their lives! Twice a month, 9 of our students make a 2 hour trek one-way to attend Saturday school. This devoted Saturday group is pictured above receiving.....

Who We Are.....

Alex and Julie came to know the Lord while they lived in Puebla, México in 1982. They have 3 grown children: Amelia, her husband Jordan, David, his wife Lauren and Amanda. Alex and Julie attended Charis Bible College (CBC) where they graduated in 2009. July 1, 2010 they were ordained into the ministry and now reside in Querétaro, México where they serve as directors of Charis Bible College's First Spanish Speaking campus in México.

.....a new Bible purchased with your generous donations. They are using them for their daily Bible reading assignment. This is a new translation for most of them and they are blessed to know that these Bibles are a gift given by those who are helping to make this training available to them.

CBC MX Remodeling Project

Many of the students have been able to purchase books in Spanish that compliment what they are studying. They tell us that the books don't read like

most other translations and that the explanations of the scriptures are life-changing! We also make these books and other materials available to anyone who would like to come and read or study during our office hours. We enjoy the added opportunities this affords us to help people discover God's love.
