DECEMBER 2010

What a precious moment it is when you realize that you are in the right place at the right time! In our Leon DE (Discipleship Evangelism) group, Gilberto was about to read his portion of that evening's lesson and instead said, "I just have to say something about how good God is to answer our questions!". We were studying a lesson called *The Authority of the Believer* and usually we take questions, testimonies and comments

at the end of the evening, but Gilberto just couldn't wait. He continued to tell the group about how at their weekly prayer meeting the topic of how much power does the devil really have was discussed among those in attendance yet remained frustratingly unanswered. The next night was DE and right

there before this brother's eyes was the biblical answer.....([click here](#) and you'll be able to see it too!)

The look on his face of seeing the scriptures laid out in a way that he could discover the truth for himself said it all! Each week, thanks to the support our precious partners, we

continue to see believers gain new understanding of Lord and his transformative power in their lives.

In Queretaro, just this past

week, we shared 3 lessons about the Holy Spirit and then gave people an opportunity to receive for themselves and 4 people were baptized and spoke in tongues! Some of these people had experienced great difficulty receiving over the course of many years and now their hearts are overflowing with the gift and biblical

Who We Are

Alex and Julie came to know the Lord while they lived in Puebla, Mexico in 1982. They have 3 grown children: Amelia, her husband Jordan, David and Amanda. Alex and Julie attended Charis Bible College where they graduated in 2009. July 1, 2010, they were ordained into the ministry and now reside in Queretaro, Mexico.

truth! One of the people in this group, Javier, had just been asking another believer the night before about the baptism in the Holy Spirit and the next evening unbeknownst to him -you guessed it- was the DE lesson that answered his questions. He was one of the four people who came forward that night! Only the Lord can set these events up as He does. Since we only give our groups one week's lessons at a time and they don't have a table of contents there isn't any way for them to know the topics for that week. To God be the glory for the way He orders all the steps of those who love Him!

Earlier this month, I (Julie) had the privilege of speaking to a group of 15

We are very thankful to be able to spend Christmas with our whole family this year! As we look back over this year we are so thankful for each one of you. Words just can't express how much your support and encouragement have meant to us especially these first few months of our ministry. May the Lord show you just how you have touched our lives and may your Christmas celebration be full of the joy and love that marked Jesus' birth!

Love and Blessings,

ladies from La Roca church here in Queretaro. What an honor it was for me to be able to share in Spanish what the Lord began to do in our lives here in Mexico 29 years ago! In the midst of our impossible situation, Jesus' love got our attention. His word got in our hearts and we've just never been the same. (If you would like to read our story, please [click here](#)) As you can see in the pictures, Pastor Lili and I had a great time praying for all the ladies.
