Who We Are

Alex and Julie came to know the Lord while they lived in Puebla, Mexico in 1982. They have 3 grown children: Amelia, her husband Jordan, David and Amanda. Alex and Julie attended Charis Bible College (CBC) where they graduated in 2009. July 1, 2010, they were ordained into the ministry and now reside in Queretaro, Mexico.

May the Lord direct your hearts to God's love and Christ's endurance.

THE POWER OF AN INVITATION

"I would like you both to meet my pastor at this summer's conference", Pastor Rogelio told us before we left his church in Colima. The Lord used some AWMJ pamphlets our sister-in-law had given to a friend who lives there and attends Rogelio's church to

connect us. She showed them to him which eventually led us to travel to eight hours to Colima. While there, we taught about Spirit, Soul and Body and left several of Andrew's books and sets of DE with him. As full as our calendar is this month, it was a miracle that we had the conference dates free, let alone that we should be among the 1,000 people in attendance. We also had the privilege of.....

This week's travels (7/16-7/24) took us to the Duncan's church, Tree of Life, where we taught on Spirit, Soul and Body. Then we continued northwest to a city called Aguascalientes to attend Word of Faith's National Conference of 38 churches. It was like a huge family reunion!!

... not only meeting Pastor Rogelio's pastor who is a woman named Chelo Licon, but we were able to give her several books and a set of DE. She pastors the congregation there in Aguascalientes, and also cares for 37 other churches. During the conference itself, we were so encouraged hearing the message of God's grace and unconditional love being preached and received with such enthusiasm.

While we were honored to be attending the conference, I couldn't help but think that we were there specifically for some other purpose. We were relaxing at the cafeteria area during a break when Cesar and Julie Ramirez (pictured right) approached us because they remembered us teaching at Pastor Rogelio's church back in April. We were able to share with them about some questions they had about teaching and

discipling. As Proverbs 13:12 says, "a desire fulfilled is a tree of life." And that's exactly what the 4 of us experienced talking and sharing that day.

Before attending the conference in Aguascalientes, we accepted an invitation to speak at the Duncan's church (Tree of Life) in Leon, Gto. In turn, we asked Martina and Sergio to come with us. She sat behind a boy (12) who unbeknownst to her had never been at church before that day. Martina shared a personal word from God with him and then led him to the Lord! We also taught about our new born again identity in Christ, laid hands on the sick and many people told us that they received new understanding about their relationship with the Lord. These wonderful things were all contained within simple invitations.

This is the power of an invitation....it's the supernatural potential that is on the inside of each of us as believers ready to be released in daily life! And when someone requests our presence and participation at some place and time, there is the potential for something supernatural to occur. That is, if we know that He who is living on the inside of us desires to work with us to touch people surrounding us each and every day. This is the heart of what we are doing here in Mexico.....helping to direct hearts into God's love! (2 Thes. 3:5) If you would like to be a part of directing hearts into the God's love, please take a moment to consider how the Lord would use you right where you are. Maybe you're thinking to yourself that you wouldn't know what to say or how to help someone then we *invite* you to click on this link <http://www.palomaresministries.com/media-resources.html> and you will find Discipleship Evangelism available for free! You can learn more about who you are in Christ and then share what's touched your life with someone else.

Remember in each and every invitation there is supernatural potential and when you step out and act you too will experience this life-changing power for yourself! To those of you who are helping us, please know that we are so thankful for you! Your gift is enabling us to reach others! Thanks so much!

Blessed in His love,

Alex & Julie
