Who We Are

Alex and Julie came to know the Lord while they lived in Puebla, Mexico in 1982. They have 3 grown children: Amelia, her husband Jordan, David and Amanda. Alex and Julie attended Charis Bible College where they graduated in 2009. July 1, 2010, they were ordained into the ministry and now reside in Queretaro, Mexico.

2 Thessalonians 3:5

Now may the Lord direct your hearts into the love of God and into the patience of Christ.

“NOW THAT I KNOW WHAT WATER BAPTISM IS...

..... do you think it would be alright for me to be water baptized again?”

This is what one of our DE students asked the night we shared this lesson. And we hear statements like these regularly from the people we are discipling. It thrills our hearts to see people’s lives transformed before our eyes. We are literally watching people receive life-changing truth weekly.

This past Thursday, we taught all three lessons about the Baptism of the Holy Spirit. Everyone felt free to ask questions and to share misunderstandings they had about the baptism of the Holy Spirit and particularly speaking in tongues. Several thought that speaking in tongues was only for certain people and had come to believe that this gift wasn’t for them. We simply directed people back to the scriptures in the DE lesson and then gave them the opportunity to respond to the truth they had heard. Six people came up and received the baptism and spoke in tongues!

Each Thursday morning we travel 2 hours northwest of Queretaro to León, Guanajuato. León is a large manufacturing city of over a million inhabitants which is well known for its leather and shoe industries.

DE training doesn't just give people discipleship materials to share with others. It allows a person to experience the Grace of God through a systematic study of basic Bible topics and then they share what they have experienced firsthand with others.

Your partnership with us is making a difference in these two cities as we continue make disciples. The notebooks you can see in the pictures are the copies of the Discipleship lessons (DE) we reproduce with your generous gifts. If you haven't done so, please partner with us and together we will continue do our part to fulfill Jesus's command to go and make disciples.

To those of you who are already partners, please know how much we appreciate you! Your support is vital to all we are accomplishing here in Mexico. There's something supernaturally powerful about a heartfelt gift.

We so appreciate all of you who have encouraged us along the way. Your prayers and kind words strengthen us in many ways.

Remember that you are in our prayers as well!

Blessed in His love,

Alex & Julie
