## HOW DO YOU SPELL PROGRESS?

*Commit your way to the Lord, Trust also in Him and He shall bring it to pass. Ps. 37:5 NKJV*

One of the wonderful things about walking with the Lord is experiencing His work ethic. He has amazing ways of getting things done. When He talked to us about returning to Mexico, He assured us not to be concerned about how difficult it had been for us when we lived here 30 years ago; and every day was a major challenge! He told us that as we took steps, it would be as if we were walking on a moving belt because He already had things in motion! The Lord was not exaggerating in the least when He promised this. Ever since we've arrived here, we have lived and worked on this "moving belt"!

With this in mind, we are excited to announce that our civil association, which is something akin to a non-profit, is official! It would take several newsletters to explain all the steps we have taken to create this legal structure which we need to officially minister in Mexico. Instead, we can say that our attorney, Lic. Martin Guerrero (pictured above left) has made this process as clear and simple as possible. We are also very thankful to our fellow missionaries, Pastors Jeff and Sylvia Duncan, who highly recommended him to us. Without this legal framework and those who have helped us create it, we wouldn't be able to launch .....pg. 2

### Who We Are

Alex and Julie came to know the Lord while they lived in Puebla, Mexico in 1982.

They have 3 grown children: Amelia, her husband Jordan, David, his wife Lauren and Amanda. Alex and Julie attended Charis Bible College (CBC) where they graduated in 2009. July 1, 2010, they were ordained into the ministry and now reside in Queretaro, Mexico.

November 6th, Arbol de Vida Church, Leon (Tree of Life) celebrated their 1st anniversary. We were honored to be the official greeters! Via the internet, the 75 people in attendance greeted and prayed with their sister church in Texas. Cake, gifts and great fellowship were enjoyed by all!

.....the bible school or the discipleship center; however, with all this accomplished, we are ready to continue to work to make these projects a reality!

Working with the Lord is always interesting. We continue to be amazed by the people we meet and the opportunities we have to minister in churches and to individuals especially in Leon and Queretaro. Working with Jesus on the mission field has certainly given new meaning to the word adventure! Alex and I have always enjoyed working hard and reaping the benefits of a job well-done. However, even the most diligent person's work still would never be able to account for all that we've been able to accomplish in little more than a year. Only the Lord can give the kind of results we've seen! That's why we have learned to spell the word progress. "C-O-M-M-I-T"! That may seem like poor spelling, but as we continue to learn how to live and to work in step with the Lord and rely on Him to direct our path (that's the "commit" part), we've seen how He is able to make this work supernaturally progress and impact people!

As a partner with Palomares Ministries, you are joining us in all our discipleship efforts to see more and more people's lives transformed. With your support and gifts, we are putting discipleship materials and personal instruction into the hands of people whose own lives are changing and who are able to affect change in other's as well. With the new civil association we will be able to have a greater impact on Queretaro and Mexico! If you are not presently a partner or would like to contribute to Discipleship for Mexico, please consider visiting us at [www.palomaresministries.com](http://www.palomaresministries.com) where you can learn more about us, see pictures of our work and donate online.
