

Emma, Jace and Jerad Impacting México from Wisconsin!

Pumpkin Patch Entrepreneurs

A Bushel-full of Students for Fall Enrollment!

### Bushel Upon Bushel of Blessings

*There just isn't any other season quite like fall! It's a unique time of activity, harvest and thanksgiving. The work of bringing in the harvest turns to the giving of thanks to the Lord as we begin to see all that has been accomplished. Even though, we miss the beautiful colors and activities of fall in the US, we are so honored to be able to share with you the "bushels of blessings" that abound this year here in Querétaro, México!*

*One of those amazing blessings arrived this summer through some very special friends from Wisconsin who we met while we were all attending Charis Bible College Colorado (see the Burch kids pictured above). For several years, Emma (9), Jace (12) and Jerad (13) have planted a pumpkin patch (of a thousand pumpkins) and then put on a fall fun day at their farm complete with hayrides, face painting, a corn maze and Emma's amazing bake sale! From these events, The Burch kids have raised \$1,000.00 to help us make disciples in Mexico! We are so thankful for your labor of love! Your hard work and generosity are an inspiration to us all!*

*Truly, our partners are our heroes. The gifts, loving support, and partnerships we receive from each of you are helping us to give others the opportunity to experience the transforming power of the Gospel!*

### WE ARE

WHO

Alex and Julie came to know the Lord while they lived in Puebla, México in 1982. They have 3 grown children: Amelia, her husband Jordan, David, his wife Lauren and Amanda. Alex and Julie attended Charis Bible College (CBC) where they graduated in 2009. July 1, 2010 they were ordained into the ministry and now reside in Querétaro, México where they serve as directors of Charis Bible College's First Spanish Speaking campus in México.

**First Group Promoted to 2nd yr**

**More bushels of blessings.....** This is a very special group of students since they have been enrolled in CBC MX from the day we opened our doors on September 22, 2012! Receiving their certificates for the completion of 1st year represents two years of faithful attendance (on a part-time schedule) and over 200 hours of classroom instruction, tests and Bible reading. They are presently continuing their studies in the School of Practical Ministry (2nd Year) which includes

applying what they have learned in 1st year to different ministry opportunities and preparing to go on their required mission trip in 2015. Promoting this group of students to second year is a great milestone for us!

**Saturday School has grown this year by leaps and bounds.....** bringing many new faces ( pictured below) to CBC MX from 2 new cities in Central México: Salamanca (1 hour away) and Uriangato (2 hours away). This group's arrival began through a pastor and his wife's desire to receive teaching from Andrew Wommack's ministry. They first learned of him through some of Andrew's friends who minister extensively throughout México and recommended our school very highly. These new students are loving their classes and usually applaud at the end of each video lesson! Imagine the impact they are making as they take what they are receiving and share it with their congregations. In all, we have 4 pastors attending CBC MX and most of our student serve as staff in their respective churches! One blessing simply leads to another and another!

**Berenice Barrios**

..... **Meet Charis Bible College México Student, Berenice Barrios (1st year)!** Berenice stopped into the school one day with her 2 young daughters. While we answered her questions about the school, she stopped us and looked me straight in the eyes and said, "if I've already studied in another Bible school, why should I enroll in CBC MX?" Without hesitation I replied, "Because if you open your heart, CBC MX will transform your life!" Ever since that day, she has come back to us many times with tears in her eyes to tell us that we weren't exaggerating and that her life is being changed week by week! This fall, she anonymously paid for another new student's registration fee because in her own words, "I want some else to have the life-transforming opportunity that I am experiencing!" Praise the Lord!

**Thank you so much for sharing this awesome adventure and vision of making disciples in México!** May you and your family celebrate a very Happy Thanksgiving!

Ever Unfolding Blessings,  
*Alex and Julie*
