Who We Are

Alex and Julie came to know the Lord while they lived in Puebla, Mexico in 1982. They have 3 grown children: Amelia, her husband Jordan, David and Amanda. Alex and Julie attended Charis Bible College where they graduated in 2009. July 1, 2010, they were ordained into the ministry and now reside in Queretaro, Mexico.

2 Thessalonians 3:5

Now may the Lord direct your hearts into the love of God and into the patience of Christ.

QUERETARO PLANS BECOME REALITIES...

How exciting to be writing this newsletter to you from Queretaro, Mexico! September 1, we arrived in Leon, Gto which is the city where Alex is from and where most of his family lives. The next day we drove to Queretaro (2 hrs. southwest) to begin the moving in process. September was filled with cleaning, organizing, purchasing a vehicle, obtaining government documents, finding appliances and establishing internet-telephone service to name a few things from our checklist. Our shipment of household goods arrived 28 days after we did. Our belongings got the "green" light at the border so they weren't delayed, inspected or unloaded! What an incredible blessing!

As you can see September was a very busy month for us! We also launched our new ministry website. If you haven't had a chance to see it, please take a moment to visit us at palomaresministries.com. We also received our official 501c3 status! Now your gifts not only help to disciple people here, but are also tax deductible! We have also begun the process of legally establishing our ministry with the Mexican government. Every day we are thanking the Lord for how He has helped us to accomplish all this in such a short period of time.

Joe Hunt joins our team!

We are excited to announce that Joe Hunt has joined our ministry team as our state side administrator! Joe also works for Andrew Wommack Ministries in the Phone Center. Since August, he has been keeping up with US correspondence and office processes for us.

...DISCIPLESHIP EVANGELISM TRAINING PROGRAM BEGINS.....

Each weekend we have been visiting a church called Renacer (“Reborn” in English). We’ve known the pastors, Ricardo and Marta Gaonzalez, for many years. We have also been privileged to speak there as well. It’s a growing congregation of 80 people. We recently got together with Ricardo and Marta and we were able to share about our plans for ministry.

Discipleship was the main focus of our conversation. As we described the program we use, *Discipleship Evangelism (abbreviated as DE)*, they became very interested. “That’s it! That’s what we’ve been wanting to do!” they said. As we talked about the details, they began to realize what it would cost to have the materials printed and our weekly travel expenses which wouldn’t be feasible for them at this point.... **However, because of your support and generosity as our partners, we are able to make this discipleship training program and others like it a reality!**

At first, the training was going to be in a home, but when they saw how many people signed up they changed the location to the church to accommodate everyone. 37 people came to the first session! Each student received a 3-ring binder containing that evening’s lessons. By the end of the training, they will have all 48 lessons and more importantly the ability to understand and share them.

We want to thank those of you who have already supported us. Your generosity is making this life changing program possible! We are so excited for this opportunity to disciple this congregation who will in turn disciple people they know. The beauty of DE is that the material doesn’t have to be purchased each time and it can be reproduced for the cost of the copies! **Again, thank you; together we can make disciples of all Nations!**

Blessings!

Julie and Alex Palomares
