Spring Breaks Forth at CBC México!

Spring has come to Querétaro, México!

And one knows that is true when the entire city turns purple with its Jacaranda trees blooming everywhere. This spring also began in a special way for CBC MX (Charis Bible College México) when [Greg and Janice Mohr](#) arrived to teach and minister during our Saturday school (March 8). Greg shared from his wealth of experience having served as a pastor for 24 years and more recently as the Dean of Education for all of CBC. We were honored to have them here with us! We were equally honored to have [Pastor Jeff and Sylvia Duncan](#) and some of their students from their Rhema Extension School who traveled from León (2 hours) to be with us. It was also a blessing to have [Pastor Benito](#) in attendance, who pastors the church we attend here in Querétaro (not everyone could stay for the group picture above). We were very excited to have 34 people in attendance for our first seminar!

Springtime - Jacarandas in bloom

Greg taught about what true prosperity is and different obstacles that can hinder us from personally experiencing the abundant life that Jesus purchased for us to live. During one of the sessions that I was interpreting, it was difficult to stay focused because it was so wonderful to watch how the Holy Spirit was taking Greg's words and making them real to each person there! At two o'clock (traditional dinner time in Mexico) we took a break and enjoyed a beef fajita meal! What an amazing day filled with God's Word, powerful teaching and wonderful fellowship (please see pictures above).

WE ARE

Alex and Julie attended Charis Bible College (CBC) where they graduated in 2009. July 1, 2010 they were ordained into the ministry and now reside in Querétaro, México where they serve as directors of Charis Bible College's First Spanish Speaking campus in México.

CBC MEXICO Student Testimonies: Andrea's Question

It is our pleasure to be able to share with you testimonies from the lives of those we have the privilege to disciple and encourage here in Central México. We are especially pleased to be able to share some of the ways the Lord is using our students to reach out to people in their everyday lives.

Alex and I met Andrea and her husband, Javier when we started our first Discipleship Bible Study at the church we both attend in Querétaro back in the fall of 2010. They both finished the 48 lesson course and were some of the people who were asking, "What's next?" In 2012, they were among the very first to sign up for Charis Bible College and have faithfully attended as part-time students for two years.

Recently, Andrea shared with me that she had been at a government run hospital helping another one of our students care for his father who had been admitted. While Andrea was there she couldn't help noticing a man in the bed next to Roberto's father. He looked very ill indeed, lying in a coma-like state. So Andrea ventured to ask the woman sitting next to his bedside what had happened to him. Martin's sister told her that the doctors said that her brother was critically ill and was very close to death. Andrea then asked, "Do you believe that God can heal this man? Because I believe He can and will! Would you allow me to pray for your brother?" Andrea prayed for the man and exchanged cell numbers with his sister and then left the hospital to get back home to her own family.

Andrea tried contacting this woman to follow up on Martin's condition, but was unable to reach her. About two weeks later, Andrea was in a hurry and got on the "wrong" bus. She looked around having realized her mistake and to her surprise there was Martin's sister! She asked her how Martin was and she told her that he had remained in that "coma-like" state for about nine days and then he "just woke up" and was discharged from the hospital! Since the whole family had gathered in Querétaro fearing the worst, Andrea and her husband, Javier made arrangements to visit Martin and the family.

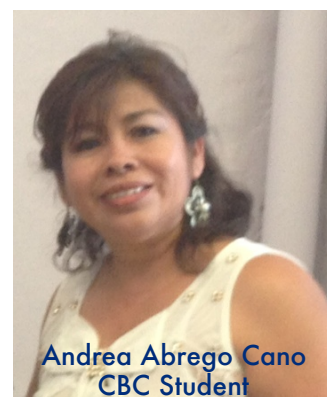

When they arrived at the house they found nine family members gathered there with Martin, so they talked to them about how he was healed and how much the Lord loved them all. All nine people received Jesus as their Savior. They have continued to visit them sharing the things that they have learned from the Discipleship course and the Bible college! Recently, Martin and his parents came to

the church we all attend (please see the picture below). Martin is the man standing next to Andrea smiling!

What a joy it is for us to be able to share this news with you, that lives are being impacted and changed for eternity through our students, and how your prayers, gifts and support are making a difference in so many lives!

Thank you for choosing to help us make disciples in Querétaro and Central México! Alex and I appreciate you more than words can express and are praying for you! We can't thank you enough for joining us in this adventure, to which God has called us all.

Ever Unfolding Blessings,
Alex and Julie
